

Conference/Workshop Registration

Purchasing a ticket automatically registers you for the conference; **there is no separate registration process**. Please make sure all your details are current in your BAFA account as we use these for registration purposes.

Tickets to BAFA conferences are only available to current members. To purchase a ticket, log in to your account on the [BAFA Membership Portal](#) and click the 'Purchase Tickets' button. Select the appropriate ticket for the conference you want to attend, and follow instructions.

If you have created a **guest account**, to submit an abstract/paper, you can log in to that account and pay for membership. You will then see the 'Purchase Tickets' button displayed in your account.

Payments are handled via PayPal's secure server. In most cases*, **you will not need a PayPal account** to purchase a ticket with your debit/credit card. If you don't have an account, click the 'Pay with a debit or credit card' option (see screenshot below).

The screenshot shows the PayPal checkout interface. On the left is the 'Your order summary' table. On the right is the 'Choose a way to pay' section with options for PayPal account, debit/credit card, and PayPal Credit. Below these are fields for card number, expiration date, CSC, and billing information.
